

Savior, Like a Shepherd Lead Us

arranged for Flute & Violin
with Guitar and Piano

by David S. Winkler

PARTS INCLUDED

Score
Lead Sheet
Flute & Violin
Piano

PERFORMANCE NOTES

Though this piece was originally written as a wedding prelude,
it will work nicely as a worship service or concert number.

It is suggested that when the flute and violin play together, the violin should be
careful to play “under” the flute so that the melody is not obscured.

Acoustic guitar may play from the score or lead sheet. If guitar is not present,
the piano should improvise a part similar to the guitar finger picking 8th notes.
